

By-law #2: Active Membership - Requirements

2[a] Active Membership shall be held at a number sufficient to reliably ensure that, a) enough members are in attendance at each meeting to maintain the critical vitality of participation (prints submitted and commentary), and b) to meet the financial 'break-even' threshold as it relates to TFF costs for facilities, meals or other overhead that may apply. The Active Membership will nominally range (but will not be limited to) between 35-50 members. The practical limit to the number of the Active Membership shall be determined annually by the current Executive Board, based on prevailing circumstances.

2. To act constructively and reasonably in matters related to governance, administration and operation that bear on the common interest and enjoyment of the Forum by its members.
3. To attend a minimum of eight(8) regular dinner meetings (including "No Seal" nights), excluding the seasonal (December)andend-of-year (May) banquets. Active members are expected to attend the prescheduled Annual General Meetingunless exceptional circumstances prevent participation.
4. To submit a minimum of four (4) individual prints for evaluation and commentary during the Forum season, and to accept the constructive criticism of their prints by the membership in attendance.
5. To offer succinct, articulate andindependently critical commentary on prints, submitted by TFF peers for evaluation.
